of Ordo Templi Orientis  
Fiscal Year 2010*

*Do what thou wilt shall be the whole of the Law.*

Ordo Templi Orientis (O.T.O.) is an international religious and magical initiatory fraternity open to both men and women. O.T.O. was founded in Germany and England in the early part of the 20th century, and was incorporated as a non-profit 501(c)(3) organization in California in 1979. It is currently organized in 30 countries, with Grand Lodges in the United States, England, and Australia, and 155 official bodies worldwide. Ordo Templi Orientis is the first of the traditional esoteric fraternities to accept the Law of Thelema, the religious revelation obtained by Aleister Crowley in 1904. It still operates by the original charters, constitutions, documents and principles established during its formative years.

The U.S. Grand Lodge of O.T.O. and M.:M.:M.: (U.S.G.L.), also known as Ordo Templi Orientis U.S.A., or O.T.O. U.S.A. (<http://oto-usa.org>), is a duly chartered Grand Lodge and National Section of Ordo Templi Orientis, chartered by Ordo Templi Orientis International Headquarters on March 30th, 1996. It is a tax-exempt, non-profit religious organization incorporated on June 20, 1996 under the laws of the State of California. O.T.O. U.S.A. was incorporated for the purpose of the preservation and advancement of the religious tenets, doctrines, principles, teachings, traditions and rites of Ordo Templi Orientis, and all its funds are irrevocably dedicated to furthering that purpose.

U.S.G.L. is the most populous and active national section of O.T.O., with 57 local bodies in 25 states as of February 2011. Each local O.T.O. body interfacing with the public in the United States is designated as a Camp, Oasis, or Lodge, depending on its size and level of activities. Although there is often much interrelating between local bodies, each operates independently yet answers directly to the national government of U.S.G.L.

Specific local bodies (Oases and Lodges) provide ceremonial initiation into the first series of degrees of O.T.O. Most local bodies also regularly perform an O.T.O. ritual called the Gnostic Mass. This ritual is described in our system as “the central ritual of the O.T.O. both public and private”, and is presented under the auspices of the Ecclesia Gnostica Catholica, the Gnostic Catholic Church, which is the ecclesiastical aspect of O.T.O.

Most local bodies also offer public classes, workshops and book studies that usually cover a wide range of Thelemic and esoteric/occult subject matter. Some of these may include various aspects of the theory and practice of Thelema, Qabalah, Yoga, Ceremonial Magick, Hermetic Science, Tarot, Astrology, Alchemy, Mythology, Comparative Religion, and the history and structure of O.T.O., as well as various Thelemic celebrations, rituals, rites and holidays that assist and support the development of Thelemic community.

This fiscal year, our membership grew by 60 members, a 5% increase.

We have continued to implement the programs and services offered to our members according to the goals set forth in our 2007 strategic plan. Notably, the USGL Library has been moved to a location where it will be physically accessible to members by appointment. The review of the Strategic Plan was delayed last year, but proceeds apace, and we currently expect a revised strategic plan to be available by NOTOCON.

Our annual joint meeting of governing bodies was held over the weekend of July 17–18, 2010 E.V. at Star Sapphire Lodge in Southern California. This year, we will hold our annual joint meeting of governing bodies at our eighth biennial national convention (NOTOCON) in Detroit, Michigan, over the weekend of August 5–7, 2011 E.V.

In the following paragraphs, you will see our Statements of Mission, Program, Vision, and Values. These statements were developed as part of our 2007 strategic planning process, incorporating principles from the original constitutions, documents and principles developed during the founding and initial growth of Ordo Templi Orientis. They form the basic plan from which our strategic plan was built, and offer a concise view of the direction we have charted for the near future of U.S.G.L.

*Love is the law, love under will.*

Fraternally,

Sabazius X°  
National Grand Master General  
Ordo Templi Orientis U.S.A.

Ordo Templi Orientis U.S.A. is the U.S. Grand Lodge (National Section) of Ordo Templi Orientis, a hierarchical, religious membership organization. Our mission is to effect and promote the doctrines and practices of the philosophical and religious system known as Thelema, with particular emphasis on cultivating the ideals of individual liberty, self-discipline, self-knowledge, and universal brotherhood. To this end, we conduct sacramental and initiatory rites, offer guidance and instruction to our members, organize social events, and engage in educational and community service activities at locations throughout the United States.

## *P*rogram Statement

To create, maintain, and promote a structured society of men and women within the United States of America, who are united by their acceptance of the Law of Thelema, by a common interest in Magick, Yoga, and Hermetic Science, by the common experience of ceremonial initiation and sacramental ritual, by common pledges of fidelity, cooperation, and mutual aid, and by certain common ideals, namely: individual liberty; self-discipline; self-knowledge; universal brotherhood; and opposition to tyranny, superstition, and oppression.
2. To manage and govern this society in substantial conformance with the principles set forth in the writings of Aleister Crowley and other historical leaders of Ordo Templi Orientis, with the approval and under the authorization of the International Headquarters of Ordo Templi Orientis, and in such a way as to ensure its continued survival and promote its continual growth and advancement.
3. To provide certain benefits to the members of this society, including, but not limited to: participation in sacramental rituals; social community and entertainment; pastoral guidance and mediation of disputes; instruction in Hermetic Science, Yoga, and Magick; and opportunities for creative expression, community service, and development of beneficial social and professional relationships.
4. To preserve and advance the principles and practices of the religious, philosophical, and magical system of Thelema, and to promote the principles of individual liberty and universal brotherhood.
5. To conserve and manage books, documents, and other properties of historical or practical value which it may possess.
