*Annual Report of the  
United States Grand Lodge  
of Ordo Templi Orientis  
Fiscal Year 2013 E.V.*

*Do what thou wilt shall be the whole of the Law.*

Ordo Templi Orientis (O.T.O.) is an international religious and magical initiatory fraternity open to both men and women. O.T.O. was founded in Germany and England in the early part of the 20th century E.V., and was incorporated as a non-profit 501(c)(3) organization in California in 1979 E.V. It is currently organized in 30 countries, with Grand Lodges in the United States, England, and Australia, and 145 Camps, Oases and Lodges worldwide. Ordo Templi Orientis is the first of the traditional esoteric fraternities to accept the Law of Thelema, the religious revelation obtained by Aleister Crowley in 1904 E.V. It still operates by the original charters, constitutions, documents and principles established during its formative years.

The U.S. Grand Lodge of O.T.O. and M.:M.:M.: (U.S.G.L.), also known as Ordo Templi Orientis U.S.A., or O.T.O. U.S.A. (<http://oto-usa.org>), is a duly chartered Grand Lodge and National Section of Ordo Templi Orientis, chartered by Ordo Templi Orientis International Headquarters on March 30th, 1996 E.V. It is a tax-exempt, non-profit religious organization incorporated on June 20, 1996 E.V. under the laws of the State of California. O.T.O. U.S.A. was incorporated for the purpose of the preservation and advancement of the religious tenets, doctrines, principles, teachings, traditions and rites of Ordo Templi Orientis, and all its funds are irrevocably dedicated to furthering that purpose.

U.S.G.L. is the most populous and active national section of O.T.O., with 50 active local bodies in 29 states as of February 2014, as well as a Camp in Formation in one additional state (Nebraska). Each local O.T.O. body interfacing with the public in the United States is designated as a Camp, Oasis, or Lodge, depending on its size and level of activities. Although there is often much interrelating between local bodies, each operates independently yet answers directly to the national government of U.S.G.L.

Specific local bodies (Oases and Lodges) provide ceremonial initiation into the first series of degrees of O.T.O. Most local bodies also regularly perform an O.T.O. ritual called the Gnostic Mass. This ritual is described in our system as “the central ritual of the O.T.O. both public and private,” and is presented under the auspices of the Ecclesia Gnostica Catholica, the Gnostic Catholic Church, which is the ecclesiastical aspect of O.T.O.

Most local bodies also offer public classes, workshops and book studies that usually cover a wide range of Thelemic and esoteric/occult subject matter. Some of these may include various aspects of the theory and practice of Thelema, Qabalah, Yoga, Ceremonial Magick, Hermetic Science, Tarot, Astrology, Alchemy, Mythology, Comparative Religion, and the history and structure of O.T.O., as well as various Thelemic celebrations, rituals, rites and holidays that assist and support the development of Thelemic community.

This fiscal year, membership grew by 199 members net, a 15% increase, a significant increase over last year. However, there were a number of demits and inactives that will not be officially posted until the next fiscal year, so this number may not represent a real increase in the growth trend.

Our annual joint meeting of governing bodies was held at our ninth biennial national convention (NOTOCON) in Sacramento, CA over the weekend of August 5–7, 2013 E.V. This year, the annual meeting will be hosted by Infinite Stars Chapter and William Blake Lodge in Baltimore, Maryland over the weekend of July 11–13, 2014 E.V.

In the following paragraphs, you will see our Statements of Mission, Program, Vision, and Values. These statements were developed as part of our 2007 E.V. strategic planning process, incorporating principles from the original constitutions, documents and principles developed during the founding and initial growth of Ordo Templi Orientis. They form the basic plan from which our strategic plan was built, and offer a concise view of the direction we have charted for the near future of U.S.G.L.

*Love is the law, love under will.*

Fraternally,

Sabazius X°  
National Grand Master General  
Ordo Templi Orientis U.S.A.

## *M*ission Statement

---

Ordo Templi Orientis U.S.A. is the U.S. Grand Lodge (National Section) of Ordo Templi Orientis, a hierarchical, religious membership organization. Our mission is to effect and promote the doctrines and practices of the philosophical and religious system known as Thelema, with particular emphasis on cultivating the ideals of individual liberty, self-discipline, self-knowledge, and universal brotherhood. To this end, we conduct sacramental and initiatory rites, offer guidance and instruction to our members, organize social events, and engage in educational and community service activities at locations throughout the United States.

## *P*rogram Statement

---

1. To create, maintain, and promote a structured society of men and women within the United States of America, who are united by their acceptance of the Law of Thelema, by a common interest in Magick, Yoga, and Hermetic Science, by the common experience of initiation and sacramental ritual, by common pledges of fidelity, cooperation, and mutual aid, and by certain common ideals, namely: individual liberty; self-discipline; self-knowledge; universal brotherhood; and opposition to tyranny, superstition, and oppression.

2. To manage and govern this society in substantial conformance with the principles set forth in the writings of Aleister Crowley and other historical leaders of Ordo Templi Orientis, with the approval and under the authorization of the International Headquarters of Ordo Templi Orientis, and in such a way as to ensure its continued survival and promote its continual growth and advancement.

3. To provide certain benefits to the members of this society, including, but not limited to: participation in sacramental rituals; social community and entertainment; pastoral guidance and mediation of disputes; instruction in Hermetic Science, Yoga, and Magick; and opportunities for creative expression, community service, and development of beneficial social and professional relationships.

4. To preserve and advance the principles and practices of the religious, philosophical, and magical system of Thelema, and to promote the principles of individual liberty and universal brotherhood.

5. To conserve and manage books, documents, and other properties of historical or practical value which it may possess.

6. To establish physical centers of activity for the society in diverse locations throughout the United States of America.

## *V*alues Statement

---

1. We support the liberty of the individual and the cultivation of self-respect, self-knowledge, self-discipline, and self-responsibility.

2. We affirm the bonds of fraternity and expect fidelity, frankness, cooperation, mutual aid, and good faith among our members.

3. We value hospitality in our community and promote peace, tolerance, truth, and respect to the Order within our temples and precincts.

4. We advocate the principles of Scientific Religion and Universal Brotherhood, and oppose tyranny, superstition, and oppression.

5. We accept and uphold the Law of Thelema as promulgated in the Book of the Law and the writings of the Prophet of the Aeon, Aleister Crowley.

## *V*ision Statement

---

1. We envision OTO USA as a model religious and fraternal order of occult initiates, and a leading proponent of Thelemic thought and culture within the United States.
2. We will maintain a physical presence near every major population center in the country, from which we will offer services in support of our mission to our members and to the public.
3. We will uphold the highest standards of excellence and effectiveness in the practice and dissemination of our religious, spiritual, magical, and ethical teachings.
4. We will espouse and defend the principle of individual liberty while cultivating strong fraternal bonds within our ranks.
5. We will foster harmonious and constructive relationships with the academic, business, civil, and greater social communities within which we operate.
